

Ethan Chang

Monmouth Junction, NJ | (848) 200-6056 | echang0970@gmail.com | linkedin.com/in/echang0970 | github.com/ch4ngs4n1ty

OBJECTIVE

Computer Science B.S. student seeking full-time Data Engineering, Data Science, or AI opportunities starting Summer 2027.

EDUCATION

Rochester Institute of Technology

Bachelor of Science, Computer Science; GPA: 3.6/4.0

Dean's List: Fall 2024, Spring 2025, Fall 2025, Spring 2026

Expected May 2027

Rochester, NY

TECHNICAL SKILLS

Programming Languages – Python, Java, SQL, JavaScript, TypeScript, HTML/CSS

Libraries & Frameworks – Pandas, scikit-learn, XGBoost, Matplotlib, React, Node.js, Angular, Spring Boot, JUnit

AI & LLMs – Claude API, DeepSeek-R1, Prompt Engineering, Text Embeddings

Developer Tools – Git, GitHub, GitHub Actions, Maven, Jupyter Notebook, DataGrip

Professional – Accessible Teaching, Leadership, Advocacy, Collaboration, Active Listening, Adaptability

Databases & Deployment – PostgreSQL, Vercel, Render

EXPERIENCE

Sandia National Laboratories

Data Science R&D Intern

May 2026 – Present

Albuquerque, NM (Onsite)

- Built a training tool that simulates data from hypothetical radioactive material releases by working with laboratory scientists to apply unfamiliar scientific and nuclear-related data to the software.
- Earned a Thunderbird Award in the Purpose-Driven category for my contributions during the internship.

Artificial Intelligence and Biomedical Informatics and Data Science (AIBIDS) Program

Data Science Intern

Jun 2025 – Aug 2025

Pittsburgh, PA (Hybrid)

- Surfaced risk patterns in **5,000+** de-identified patient records to inform a predictive model for unplanned surgery.
- Extracted **464** pre-surgery clinical notes from a UPMC ACLR database (**2013–2021**) with SQL (CTEs, LEFT JOINs) and embeddings.
- Classified activity levels with an LLM (DeepSeek-R1 14B), reaching **0.89** F1 on elite athletes via **6** hand-annotated example batches.
- Worked on building logistic regression models in scikit-learn to predict unplanned surgery from social determinants of health.
- Presented findings in a research poster to faculty, peers, and stakeholders.

NTID Learning Center

Software Development Tutor

Sep 2025 – Present

Rochester, NY (Onsite)

- Build students' coding confidence by teaching debugging and computational thinking in 1:1 and group sessions (Python, Java, Excel).
- Make programming accessible to Deaf and hard-of-hearing students by adapting to learning styles and teaching in ASL and speech.

PROJECTS

PlayIQ: Sports Data Visualization Dashboard | JavaScript, React, Node.js, Python, XGBoost

Mar 2026 – Present

- Delivered a sports analytics dashboard covering **6** leagues by building per-game matchup, form, roster, and projection tabs in React.
- Automated weekly retraining of an XGBoost model predicting MLB first-five-innings money lines via Python and GitHub Actions.
- Served ESPN and MLB data with caching and live updates via a dependency-free Node.js backend; deployed on Vercel and Render.

Chroma | Angular, TypeScript, Java, Spring Boot

Aug 2025 – Dec 2025

- Built a full-stack color-based data visualization app with a team, pairing a responsive Angular front end with a Spring REST API.
- Kept client-server code maintainable and scalable by applying object-oriented design, unit testing (JUnit), and refactoring.

Movie Database Management System | Python, PostgreSQL, SSH

Jan 2025 – May 2025

- Built and deployed a PostgreSQL movie database and Python application, designing its features with a team of 5.
- Enabled secure remote database access and management by implementing SSH tunneling in the Python application.

LEADERSHIP & INVOLVEMENT

RIT/NTID Cross-Registered Student Advisory Board (XSAB)

Golisano College of Computing and Information Sciences (GCCIS) Representative

Sep 2025 – May 2026

Rochester, NY

- Advocated for cross-registered students, ensuring their voices were represented within the RIT/NTID community.
- Kept students informed and engaged by attending XSAB meetings and sharing updates on events, resources, and services.
- Nominated by the NTID Co-op and Career Center to serve as NTID Career Fair Ambassador for 2 years (Sep 2025 & Sep 2026).
